

Marlborough
Pacific Trust

STRATEGIC PLAN 2019-2022

Strengthened Community Partnerships and Collaborations

Enhanced Organisational Growth and Development

Enhanced Communication and Practice

- Build and maintain constructive relationships with Pacific communities
- Work with partners on shared solutions to problems affecting our Pacific population
- Explore how to best take advantage of existing collaborative initiatives

- Build internal capabilities and knowledge to enhance responsiveness to Pacific
- Work with other agencies to improve outcomes for our Pacific
- Introduce service innovation to respond to gaps

- Information is shared to build community awareness
- Language access is increased through education and advocacy
- Views are respected and incorporated into our planning, services and events

Our Vision
Marlborough is a place where we are
Pacific Proud

Our Purpose
To support a stronger, more connected
Pacific community
